We Run on Members Volunteering Their Time and Talents

Members are encouraged to participate in every area of theatre production. **Backstage** activities are offered at all skill levels and include: sewing, set painting, carpentry, prop gathering, sound and lighting operation. We need **Stage Managers and Crew** for every show that we produce. **Front of house** activities include: Coffee Bar, House Managers and Ushers. Volunteers are needed to serve on committees and to assist with marketing & fundraising. Your generous support makes possible the stability, growth and development of the Vagabond Players - one of the oldest, running theatre companies in B.C. It helps us to fulfill our goal of producing high quality theatre, hands-on learning in all aspects of production and management, and a variety of opportunities for educational experiences relating to the performing arts. Your gift of **time** helps our theatre company survive, flourish, and dream.

See you around the Theatre!
