

The Vagabond Player

83rd Season

January 2021

Save the date! Feb. 15 for a Vags Valentine Visit (Online)

THE PREZ SAYS.....

Anxious to start productions again this year... We all are! Hopefully the vaccine will work and we will be able to open in the spring, summer or fall. We will all be keeping our fingers crossed. In the meantime, let's have a safe and happy 2021!

Valerie Lawlor
President, Vagabond Players

I know it's early, but we need you to consider joining the **Board of Vagabond Players** or stepping up for other critical roles. For now, Val and I (Isabel) are managing, but we will be needing a treasurer, secretary, and a few members at large to help get the club up and running once we open again. We cannot do this alone, nor do we want to! For the club to be sustainable, we must count on you to step forward.

Above and Beyond!

We would like to thank George Edwards for meeting up with Johnson Mechanical and getting our electrical problem sorted out. Also, a big thank you to Craig Premack for checking on the building each week, and putting up the marquis.

Box Office

Our box office ticketing system, Vendini, has been bought up by AudienceView. We are going to stay with AudienceView, as we will not lose any of our contact information, and the cost is better than some of the other ticketing systems. Please contact Valerie if you think you might be interested helping out with box office or have questions.

SURREY LITTLE THEATRE & LANGLEY PLAYERS TO AMALAGATE!

Plans are progressing well and the two clubs will each hold a special meeting at the end of this month to approve the amalgamation so it can be submitted Feb. 1. The new club will be called Langley Little Theatre. Congratulations and good luck!
