### **Congratulations!!!**

...to **Ted Drabyk, Vagabond Players** new representative to the **City's Arts Commission!**

---

We would also like to introduce the new **City Manager for Arts and Theatre, Tod Ayotte**. We hope he will love our little theatre as much as we do!

### **Girl Guides Are in the House!**

The Girl Guides have purchased a large group of tickets for our Feb. 27th performance in order to do a fundraiser to send their girls to Iceland. They will be running their own 50/50 and silent auction as well.

---

**Welcome to the New Westminster Heritage Preservation Society**, who are having their AGM on Feb. 25th at our theatre. Apparently having the theatre as their meeting venue is creating a lot of excitement within their organization. More information about them can be found on their website: <https://newwestheritage.org/home/heritage-conservation-area/about/>.

**Drinking Habits 2** is off to an excellent start! Sales are brisk and we anticipate many dates being nearly sold out or sold out, so if you haven't booked your ticket, book it now.

We welcome Cole Sheehan-Klassen, who has graciously stepped in at the last minute, to be our stage manager, and doing an excellent job too! We hope he decides to stay with us for a few more seasons.

**Wanted!!** A person to help backstage as well as play a cameo role as an orderly or nurse during the run of **Next Fall**. Needed by mid March. Good opportunity for a student or someone who wants to try acting for the first time. If interested, contact Wayne Nolan at [theatreguynw@gmail.com](mailto:theatreguynw@gmail.com).

---

### **Next Fall**

Directed by Wayne Nolan, we welcome cast members Denise Brookson, Mary Adams, Jim Mainguy, and new members Drew Hart, Trevor Hamer and Dave Simcox. Dave returns to our stage after being away for over 30 years! We also welcome our new Stage Manager, Al Zylstra.

---

### **North Shore Zone participation:**

As most know, Vagabond Players has been invited to join the North Shore Zone for festival. Wayne Nolan has talked to his cast to see if they were interested in participating, and all of them, including the SM are able and willing to participate.

We have to respond soon to the Zone organizers, so if anyone is interested in becoming the committee chair, we will need your commitment at our Feb. 17th general meeting. The Festival Chair and team will be responsible for the logistics of getting this show to festival...and back! We have the package of information for participants.

---

**We are selling half season tickets now, so if you need a last minute gift for a family member or friend who enjoys live theatre, this is it! You can buy them through our website at [www.vagabondplayers.ca](http://www.vagabondplayers.ca). Great gift for your Valentine!**
