We have attached our most recent draft, based on our member feedback.

We have broken the Constitution and By-laws into "4" sections and would like to vote on the individual sections in order to expedite the process.

## The Prez Says.....

The Mayor has informed me that the skate park relocation project has been removed from the agenda for Monday's City Council meeting. They will withhold making a decision until April. The Mayor and Council were set to make a decision on Mar. 12, but they will now wait until April so we can prove to them that the noise will disturb our performances. No definitive date was given for this decision.

4000 Miles is in rehearsal, and looking great! Directed by Dale Kelly, this play was named time Magazine's #1 play of 2012, and was a finalist for the 2013 Pulitzer Prize for Drama. It is about a 21 year old's visit to his 91 year old grandmother's apt in New York after a tragic cross country bike trip. A touching story about growing up and growing old. It stars Cole Vandale, and our very own Nancy Ebert.

We are still looking for a stage manager for this production, so please contact me if you are interested.

Vagabond Players, along with all of New Westminster mourn the loss of Larry Tampkin. Santa to many....

It is with regret that we announce the loss of Larry Tampkin, a long time Vagabonder, actor and musician.

He played Santa for over 45 years to many children at Woodwards, and then to what became the Royal Square Mall.

A celebration of Larry's life will take place on Mar. 10<sup>th</sup>, 2:00pm at Olivet Baptist Church in New Westminister. Our prayers go out to his family.
