Discussions impacting on future...

Will take place at our Final General Meeting of this season on June 18, 2018. Ideally, all members should attend for selecting the new executive board

of directors. We are looking for people of sound character, dedicated spirit, and solid work ethics to come forth and submit their names for positions on the Executive. Heck, it can be a lot of fun!

The Prez Says.....

I am happy to inform you that Parks staff have determined that it is feasible to build the new skate park in Queens Park at the former reservoir. We no longer have to worry about a skate park being built right next to our building. Thank you to everyone who came out to support us.
