**Our Constitution is being updated for the Governments New Societies Act. Bylaw copies will be sent out to members to discuss and approve at a soon to be announced General Meeting. Please make sure you read through the bylaws when you get them, and take any notes that you feel don't work or still need to be cleaned up or updated. We would like to have this voted on before the end of the year so we can file it with the government**

**LITTLE SHOP OF HORRORS  
has opened!**

The Vagabond Players' first main stage production for the 2017/2018 season, Little Shop of Horrors, has opened, and is fabulously fun. Directed by Matt Davenport, this fast paced musical is sure to pack in large audiences, so book your seats now! Show dates are October 5-29, Wed.-Sun.

A huge thank you to all the back stage volunteers who have worked so diligently building Audrey, making props, costumes, designing/building the set, and painting. This has been an amazing undertaking, put together by inspired people. Well done!

We are looking for a producer for Drinking Habits.

If you are interested, please email Jeremy at [jeremy.heyne@vagabondplayers.ca](mailto:jeremy.heyne@vagabondplayers.ca), or come to our Oct. meeting and volunteer!
